

Energy Online Learning Center

The Energy Online Learning Center (OLC) is a web-based training system that provides all DOE employees access to a universe of learning, knowledge, and career management opportunities.

The Energy OLC is accessed via the web at URL address: <http://www.energyolc.com>. All Federal employees are pre-registered. Your log-in ID is your official first and last name separated by a “dot”, for example, firstname.lastname. The initial password is the last 4 digits of your social security number “SSN” and must be changed to meet Password guidelines after entering the system.

The Energy OLC provides web-based training, collaboration tools, threaded discussion capabilities, and much more. The Energy OLC is available 7 days a week, 24 hours a day. The following functions are available on the site:

-  Learning Center
-  Community Center
-  Teaming Center (New)
-  Lecture Hall
-  Conference Center
-  Career Center
-  Administration Center
-  Library
